

C O U N C I L     C O M M U N I C A T I O N

TO:     THE CITY COUNCIL  
FROM:   THE CITY **MANAGER'S** OFFICE

COUNCIL MEETING DATE  
July 5, 1989

SUBJECT:     PURCHASE OF PLAYGROUND EQUIPMENT FOR BLAKELY PARK

PREPARED BY:     Ron Williamson, Director, Parks and Recreation

RECOMMENDED ACTION:     That City Council allow Parks and Recreation Dept.  
to purchase Miracle #162-SZBP "Lockville" Play  
System, plus benches #1267 and swings #162-854-15/  
#162-854-25 for Blakely Park play area rehabilitation.

**BACKGROUND INFORMATION:**     Approximately a year and a half ago the City  
Council allowed the Parks and Recreation  
Department to "sole source" Miracle Recreation  
Equipment to purchase said equipment under the 1986 Parkland Act Grant  
program. As such, Miracle playground equipment was purchased and  
installed at Emerson, Lawrence, Van Buskirk, Beckman, and English Oaks  
Parks.

As part of a Blakely Park renovation of the play area, we have been  
allocated (through Council approval) Community Block Grant funds to  
do a complete rehabilitation of the parks playground equipment area.  
Between Emerson and Blakely Parks, which are the most heavily used  
play areas in the City, this will make for an outstanding and much-  
needed improvement to the park facility.

We request your approval to allow staff to purchase Miracle #162-SZBP  
"Lockville" play system, park benches, and swing selection. (Please  
see attached plan, Exhibit A, and estimate, Exhibit B. The funds for  
the above-mentioned equipment will come from (as mentioned earlier)  
a Community Development Block Grant, approved by Council in 1988.

Please note Norman Hom's memo (Exhibit C) regarding Procurement  
Instructions - Blakely Park Playground Equipment.

MEMORANDUM, City of Lodi, Community Development Department

TO: RON WILLIAMSON, PARK & RECREATION DIRECTOR  
FROM: NORMAN HOM, COMMUNITY DEVELOPMENT BLOCK GRANT COORDINATOR *NH*  
DATE: JUNE 9, 1989  
SUBJECT: PROCUREMENT INSTRUCTIONS - BLAKELY PARK PLAYGROUND EQUIPMENT

The procurement of equipment by noncompetitive proposals is permissible by federal rules and regulations when the equipment is only available from a single source (24 CFR Part 85, §§5.35(d)(4)(i)(A)). As the playground equipment authorized by the Lodi City Council for Blakely Park has been standardized for cost, quality, and ease of maintenance considerations, and is only available from one source, this condition is met.

You may proceed and award the purchase contract to the supplier of this equipment. When the invoice(s) arrives, please label it "Blakely Playground," sign it and send it to me. I will make arrangements for payment directly to the supplier.

The invoice for installation services for the playground equipment should also be sent to me in the same manner. As this labor is for installation services rather than construction, Davis-Bacon prevailing wage requirements do not apply.

Please keep me posted through the various stages of this project.
